RE: Canada's Top Mayor Award

Dear Dawn Mucci & Tammy-Ann Chapman,

As a former municipal Councillor in the City of Barrie, I am pleased to support an initiative that will recognize and celebrate the work being done by Mayors across Canada. The relationship between municipal leaders and their residents is extremely important. It's at this local level where strong leadership will have the greatest impact for building a prosperous community.

I hope that the "Canada's Top Mayor Award" initiative will encourage positive communication between politicians and their citizens and support locally elected officials in all the great work being done in their communities. I look forward to seeing who will be "Canada's Top Mayor".

Good luck in this endeavor!

Sincerely,
