A Message from Elizabeth May, O.C., M.P.

August 30, 2019

As Leader of the Green Party of Canada and Member of Parliament for Saanich-Gulf Islands, I am pleased to extend warmest regards to all of the participants and organizers of the inaugural Canada's Top Mayor Award.

This award is a significant celebration of the fundamental role municipalities play in our democracy. Municipalities, large and small, rural and urban, represent a level of government with daunting responsibilities. They are the most direct level of government in Canadians' day to day experience. The essential leadership of our Mayors is what builds our communities and strengthens our country. Thank you to the organizers and sponsors for recognizing the need to celebrate the positive effect of municipal leadership.

I am pleased that there is an award to honour the dedicated public service of Canada's Mayors. Thank you to all of the nominees for their hard work and I wish you all the best in this event.

Yours truly,

Elizabeth May, O.C.
